### The Biggest Thing Since the Light Bulb.™

The Cree LED BR30 flood light casts a beautiful light that looks and lights like the incandescent bulbs you love. Dimmable with most standard dimmers, Cree LED BR30 flood lights shine wide and bright, while using at least 86% less energy and are designed to deliver up to 25,000 hours of light for your home or business.

The perfect replacement for incandescent bulbs in track and recessed fixtures at a price you can afford, Cree LED bulbs pay for themselves quickly and then pay you year after year.

#### What makes them great?

- BR30 bulb style (weighs 4.5oz. and uses a standard E26 screw-in base.)
- Affordably priced compared to other LED bulbs on the market
- Save money now and save money later. Uses at least 86% less energy than an incandescent
- Built to light and last. Covered by Cree's 5-year limited warranty
- 25,000-hour lifetime compared to about 1,000 hours for typical incandescent
- Perfect for indoor and outdoor lighting. (Suitable for damp locations, but not for use where exposed directly to weather or water)
- Dimmable with most standard dimmers
- Instant-on light
- Mercury free

Available in **soft white (2700K)** and **daylight (5000K)** color temperatures, Cree LED bulbs can be purchased online or in-store at The Home Depot®.

### Great bulb.

### Great price.
