## A Better LED Bulb.

The new Cree® LED bulb still looks and lights just like a traditional incandescent, but it's even better than before. Unlike many cheap bulbs in the market, the new ENERGY STAR® qualified Cree LED bulb delivers true omnidirectional, all-around light, is fully dimmable with no buzz or hum, and lasts up to 6x longer than some cheap look-alikes (30,000 hour / 27.4 year rated lifetime).

The new Cree LED bulb features higher CRI light for better colors and it is suitable for use in enclosed fixtures—so you can experience beautiful light and colors anywhere in your home. And the new Cree LED bulb is a worry-free choice backed by a 5 year, 100% performance satisfaction guarantee.
